PROFILE

Software Engineering student at Swinburne University with internship experience in full-stack web development using Vue.js, PHP, and SQL. Experienced in building CRUD functionality, debugging technical issues, and working collaboratively in team-based projects. Seeking a Software Developer Internship to apply technical knowledge, strengthen industry experience, and contribute to practical software solutions.

WORK EXPERIENCE

- **Sept 2023 - Dec 2023**
Asia Pacific University
Software Engineering Intern
 - Contributed to the development and maintenance of a full-stack web application, implementing CRUD functionality with Vue.js and PHP.
 - Developed and modified frontend components using Vue.js and integrated backend APIs using PHP.
 - Collaborated with a small team to interpret requirements and deliver solutions on time.
 - Enhanced problem-solving and adaptability by working on tasks outside my comfort zone and debugging technical issues.
- **Nov 2024 - June 2026**
Australia Post
Retail Assistant
 - Delivered customer service and supported daily operations in a fast-paced environment.
 - Developed communication and teamwork skills.
